THE DEVELOPMENT OF TONQUIN

The following telegram has been sent by

Government of the Tonquin Protectorate to the City. The defendant was carrying her up the Minister of Foreign Affairs and the Governor of Cochin-China:-" Tenders are solicited for construction and working, under the control the Administration of the Protectorate of Annam called Sing Wing-lane. Two women are dener took care of her and restored her to her and Tonquin, of a railway, one metre gauge, of a length of about thirty-five kilometres, between Hanoi and Bac-ninh, having terminal stations on the left bank of the Rod River opposite Hanol and on the right bank of the Song-caa at Dap can. The necessary land for the line and the stations, etc., will be given by the Protectorate. A monopoly assured for seventy- transactions in jude. Gongs of every description. five years with repurchase of the rolling stock also idols, and all the various articles of Budat the end of that time. The Protectorate dhistic paraphernalia have been offered by the guarantees interest on the capital invested. Until the 1st January, 1887 is allowed for by Indiantradersalone, offering the finer turbans, the elaboration of the project and the presenta- skirts, shawls, putsees, handkerchiefs, lawns, &c. tion of applications for the gencession. Applications for the concession to be accompanied by complete plane and descriptions of the road- have taken in from Rs. 800 to Rs. 3,200 during way, buildings, material, and rolling stock, and the six days of the fair, gaining a profit of 50 value 16 cents, belonging to Messrs. Jardine to state the conditions of construction and work-Matheson & Co., was sentenced to three wasks' ing, the gross price, and the interest to be guaranteed. The competing companies - Franch. with an establishment at Paris or at Hanoimust offer financial and technical guarantees to be approved by the Commission for the examination of the tenders. Tenders will be open-

> The Avenir, remarking on the above, says it hears that it has since been decided to extend the proposed line to the Sevan Pagodas.

the month of January, 1887."

Tenders are also invited for a river mail service, the 'vessels to be under the French' flag and to have a minimum speed listances are as follow:--(1) from Halphong to Hanoi, 1 0 miles, (2) from Haiphong to from the Seven Pagodas to Bac-ninh, 21 miles, 4) from Hong-yen to Nam-dinh, 21 miles, (5) strel troupe of the Welsh Fusiliers was immensefrom Haiphong to Quang yen, 11 miles, (6) from ty enjoyed by the natives, though the unexgervice is to be tri-weekly, and on the remaining weekly service within four months of the expiration of the first term.

able development. The old established houses in Tonquin are at the head of the movement. These are constantly improving their fleets, and a few days ago there was seen at the Cusfirm, a fine vessel drawing 1.80 metre, and the Touffet, a flat bottomed boat which will render great service in the navigation of the Red. River: We shall not be accused of partiality in actions with the Upper River have commenced, They are as yet on a modest scale, but we do not record them with the less pleasure the figures of to-day will serve as a basis of comparison with those of the fature. The following is the exact quantity of merchandise which came down from Mang has during the month of April: -Ant-enter's scales, 60 kilog.; beeswax, 72 kilog.; ciunum n. 3.75 kilog.; cardamoma writing nineteen Yunnan junks are signalled at hao, and are laden with opium, medicines, and tea. disa. Twenty-five junks belonging to Mesers. Ulysse Pila and Co., D'Argence, and Roque from Canton and Hongkong for Yunnau. Here we have a confirmation of Dupuis's statement necting the southern frontiers of China with the Gulf of Tonquin will also make the country

nection with the events of 1874.

The long wished for rain came down plentifu ly two nights ago, and trees are much improved in appearance. The weather remains wondercold, and one day the thermometer only per lake. went about 45 degrees min. to 58 max. Fabr. Possibly the unusually late season is preventing the buying and selling that generally takes place a this period. Anyhow, there are fewer steamers and much fewer sailing ships than last year. It is said that the natives are losing on all their shipments, and certainly there is not much margin on imports, so that speculators have no been fortunate. Two sports, we hear, are comingfrom Peking, but of course they will hardly wait till October, and will perhaps take a few will not do to shoot in the summer.

The neighbourhood is now well studded with men, but the exact number may be doubted, although the full complement would perhaps ba made up if necessary. The soldiers are kept in good order by the General and officers, who seem to be the right kind of people for the work. We seldom hear of any trouble now and executions are hardly spoken of. Robberies, however, have watchmen of the night have been treated with the greatest contempt.-N. C. Daily News Cor-

THE BHAMO FAIR.

BHAMO, 6th April. The annual Bhame fair, or market, has just closed. This is the first fair that has been held here in three years, and, though small, it gives promising assurances of a large fair next year. place from all the regions within one month's travel of Bhamd. The fair is always held on the sands between Bhame and the mouth of the Patna (New)\$560 Taepaing river, or about one mile and a half | Patna (Old) 560 from the bazaar. "Near by is the Shway-Kyeenah

(golden crow) Pagoda, the most famous shrine Benares (Old) ... in the whole Upper Irrawaldy valley ... Three motives, therefore, have combined to bring the the different races together at the fair, namely, the On London.desire to worship, the opportunity to exchange their wares, and the enjoyment of a good frolic. It would be difficult to say which of the three inducements,-religion, trade, or pleasure,-has had the strongest drawing power in the past Doubtless cariosity, or the des re to see the kalas, or foreigners, has had much to do with the gathering this year. These different fairs have afforded the only opportunity during the year for the cheap purchase of such articles, as hardware, earth-oil, the

gold-leaf used for gilding pagodas, and gold thirty to forty stalls has usually been occupied of foreign manufacture, but much prized by the Burmese and Shans who bought their year's supply at this annual fair. Many of the stall-keepers cent. on many articles. Vendors of beautiful and very useful Burmese lacquer work have always been numerous and done a good business. There have always been large num bers of Buddhist priests from villages quite one month's travel up the Irrawaddy and its tributarius, and from the Chinese and Burmese Shan districts, distant from ten to forty days performing their more estentations religious duties at the famous pageda, manage to provide themselves with many articles required for the new year a use. With the young people of both seres and all races, however, these different The most famous dancers, singers, clowas, and puppet exhibitors have gathered froz all the districts round at these annual assemblies; and being well paid by the Burmese officials from funds collected from stall rauts, licenses to gamble and the like, have provided the most popular pouve or native entertainments, anywhere witnessed, and these every night of fair and free to all comers. A volunteer performance by a minpeated advent of the troupe at the fair grounds with bluckened faces and dressed in grotosque and fantastic garb, created quite a panic among exertions of Mr. Tarleton, of the police guard, I wo of the men were dressed as policemen, and their blackened faces gave them an almost hideous appearance to native eyes. The Shans believe there is a class of persons akin to the nats, who est people only, and are called pais. One of the Shan men, when he caught sight of these two black fellows disguised as policemen, called out " they are paid!" and bolted like children, and that started all the rest. He was soon made aware of his make, however, and returned to enjoy the performance with all his friends. The chornses and pantomime and the ridiculous acting of the whole troups quite captivated the spectators, and many of them expressed the opinion that the foreigners theatricals were quite equal to their own. Altogether the fair has doubtless done much to acquaint the people with the new-comers, and to assure them that every inducement will be given to

There is a very marked and encouraging increase in the daily Bhamotrade, particularly in the commodities handled by the Chinese, who are the chief ingaltogether some twelve hundred pack animals, have come in from Manwyne alone within the pas month. - Most of the animals are the ordinary take care of seven mules, whose only subsimpnee is the grazing along the way. The usual time of travel from Bhamo to Manwyne is six days. It could be done in less time were there more caravan is up and away with the daylight, and men and animals driven at a tremendous pace to the next camping place, neither beast nor man stopping for food until it is reached, usually once turned loose to graze for the rest of the day, and the men give themselves up to cooking and opium smoking. This year the caravans have come into Bhamo empty, but each animal has been loaded, chiefly with cotton of Yunnan. The construction of railways con on the return trip. Every mule will carry two bales of cotton, each weighing twentyfive viss, or about one hundred and seventy five pounds, which with the animal's saddle, &c., makes a full burden of two hundred On the 5th May a large number of French | pounds. The road, that north of the Taspaing, is by no means an easy one to travel, winding up and down over hills, many of which reach an elevation of quite 4,000 feet. Next to cotton, salt the well-known explorer of Tonquin, on his de- is the article mostly required and imported by parture for France, for the purpose of pressing the people north and east of Bhame. As there his long pending claim for an indemnity in con- has been no tax on the exportation of salt from Bhamo since the present occupation of the country, five large caravans of Shans, the pack animals consisting exclusively of bullocks, have been in for salt within the past twenty days. The Shans take no cotton, but large quantities of piece-goods in addition to the salt, which is the chief article. The terminus of the Shan caravan Vice-Admiral R. V. Hamilton, C.B., arrived route is the rich district of Num Khum, about The men admitted having refused to do here yesterday in H.M.S. Auducious accom- six days south-east of Bhame. FRESH TROUBLE IN ANNAM.

The German steamer Verwaerts, which arrived in Hongkong on the 21st inst., from Touron, brings news of some rather serious trouble in the vicinity-of that port, the Aunamites being in a turbulent and disaffected state. A large band of the disaff eted people made a descent upon the outskirts of Fouron on Saturday night, the 15th inst., and pillaged and burnt a number of small mathuts, in which lived some of the poprar population. They also attacked, during subsequent 300 men, and there were three French men-ofwar in port. Up to the time the Vormaerle left, however, the French forces had not been able to gut on terms with any of the rebels, who cropped up suddenly at unexpected places, and as rapidly disappeared before the troops or men from the ships could get at them. The main own of Tourna-itself is unt affected, and the town from the attack of such bands of maranders as had appeared up to the time the Vorware left, but the inhabitants were much ex-

AFFAIRS IN KOREA.

Gold bars are quoted 10 oz. Tls. 199 on 30 lliterate dishermen, and could not read the name days' credit. A large quantity of Government of the steamer, but they say that she was flying silver has reached Peking from the South; this is instead of cheques and drafts, which is the usual way of receiving money from the South. It has been the means of bringing down the price of silver to its former value. On account The Shanghai Hapac of the 15th inst. tells, of fluctuation of Hongkong and Shanghai Bank shares the Chinese are slow at investing. There

> .12th May. On account of the rain on Monday our Races are postponed for a week. Our new Race Course does not seem a success, for although we have had fine weather since Monday, except a very slight fall last night, the mud is knee-deep. So the committee circulated an order to-day stating that the Races will not come off till the 20th. 21st and 22nd instant Our Chinese friends say ACCONES, SHERRY; PORT. this blong joss pidgin, as joss wanted Prince Chun to see the Races; and it is reported that HOCKS, BURGUNDY. if the Prince is present he will contribute Tla."

To-morrow Li will review all his troops at Tean Tan Camps. Thirty-five comps have been sent there, by special request of Prince Chun, from various stations. There are supposed to be Li's best men and he wants to see them go

To-day Li entertained Liu Weh-vuon of Formosa, at dinner. This is the gontleman who so highly distinguished himself while the island was blockaded by Admiral Courbet, in supplying From Peking I learn that the Chinese are commencing their old games of insulting

idable obstacles against the entrance into the passing along the streets. On the evening of the 5th/inst., whilst two English gentlemen where returning, at 9 p.m., from a dinner at the Inspectorate General, one of them was knocked down by a brick weighing about three lbs. which was thrown with great force; had the brick hif the gentleman on the head instead of on the shoulder it would probably have killed him. The receiving ship Emily Jane was sold to Chinese Foreign Authorities ought to draw the attention of the Tsung-li Yamen to the fact, but I suppose offend the members of that Board.

The first number of our Tientsin native gariver to silt up, and less than a couple of years | zette, to be called the Sheh Pao, will be issued ago, a steam launch running on some part of it, to-morrow, the day of the arrival of Prince Chun. careened over and sank, the result being that two He stays at Pookoh, about 30 li from here, tomamen were drowned. The Customs have imput, and Lichas gone there to meet him. He is now taken the matter in hand and are removing expected to arrive here about 10 a.m., entering does on it. The charge of each torpedo of ne The Railroad for Port Arthur has arrived. It

jesty. Prince Chun is the first Royal Prince DAVID CORSAR & SONS'

PEKING.

There has been keen competition between Consuls at Tientein are reported to be indisposed

to dispute with him of France about the honour of an interview with the distinguished visitor, and if they allow M. Ristelhueber to represent them on the occasion they will show great selfpossession. He and his Syndicate will thus have their own way, or at least will noly have to settle accounts with the Germans.—N. C. Daily News Correspondent.

-JAPAN

TOKYO. In a note from Akita, Japan, the Rev. Geo. Smith says that it has now been ascertained that over 80 temples have been destroyed by the recent fire there—62 Buddhist and 21. Shinto. This fact alone gives a good idea of the enormous area of ground that must have been swep by the configuration.

The Japan Gazette says:-Prince Louis Napoleon, upon landing at Yokohama on the 12th May, from the City of Sydney, dined at the French Legation, and subsequently left for Tokyo by the 2.45 p.m. train, accompanied by FIRE INSURANCE COMPANY, OF 1877. The only steamers in port for London are the Mr. Aoki, Vice-Minister of State for Foreign Glenogle and Kaisow, both said to be fully Affairs, who came down to Yokohama to receive engaged at £4 and £5 10s, per ton respectively, him. The Prince is now staying at the Ro-Every exertion is being made to despatch them kumei-kwan. He is to pay a visit to the im-

the Gleafinias and Ningchow. We may then get | Mountain in Ynfutsugori, Iburi, in the Hokkaido, broke into eruption on the 28th ultimo at about 4.30 a.m., and ashes fell along the coast of Iburi, from Tarumaimura to Yufutsumura; B distance of about 15 miles. The water of the Temakemae was grey for some time. During the eruption the barometer indicated 30.12 and the thermometer 42 degrees, the wind being westerly. White smoke still rises from the mountain. No Ismage has been done to life. A Marine Court of Inquiry has been held Tokyo at the office of the Teishingho, into the con- NORTH BRITISH AND MERCANTILE duot of Mr. W. S. Davison, licensed pilot, in This afternoon, at a "Conference" meeting connection with the recent stranding of the P. and O. steamor Venetia. On the 13th May the THE Undersigned, Agents of the above Comcourt delivered the following judgment:-The court, having excelully studied the affidavit of FIRE at Current Rates.

Captain E. W. L. Clement, muster of the steamship Venetic; H. E. Bradshaw, 3rd officer and officer of the watch at the time of accident; and W. Humphrey A.B., belmaman, which was sworn before H.M. Consul at Kanagawa the 5th day of April, 1936, and also the letter from licensed pilot W. S. Davison, addressed to the Chief Superintendent of the Marine Bureau, deted 5th May, 1883, as well as having cross-examined Mr. Davison, is of opinion— 1st.—That licensed pilot W. S. Davison was acting his capacity as licensed pilot of the steamship enetic at the time of the accident on 26th March. 2ud, -That the course ateared from the position of

> one; and that Recused pilot Davison was guilty of neglect of duty in that he did not satisfy himself on The court therefore finds that licensed pilot W. Davison was guilty of "neglect of duty without real sonable cause" and recommends that his licence be suspended until the expiration of the present year.
